

# Minnesota Navigation Systems

- ▲ ILS
- AWOS/ASOS
- ⬡ VOR/DME
- \* NDB

- State Owned
- Federally Owned

ILS = Instrument Landing System  
 VOR = Very High Frequency Omni-Directional Range  
 DME = Distance Measuring Equipment  
 NDB = Non-Directional Beacon  
 AWOS = Automated Weather Observing System  
 ASOS = Automated Surface Observing System

\*Nav Aid / Weather Station not located at a publicly-funded airport

NOTE: AWOS/ASOS geographic location is accurate - all other nav aids present at an airport are offset for presentation
